For further information, please see the [Community Development Strategy](#) and/or the [Active Ipswich Strategy](#).

3.4 Outcomes

Please tell us about the outcomes you expect to result from your project. Outcomes are the changes you expect to occur for the beneficiaries (direct, indirect and/or intermediaries) of your project. Generally, outcomes can be framed as an increase or decrease in one or more of the following:

- Skills, knowledge, confidence, aspiration, motivation (these are generally immediate or short-term outcomes)
- Actions, behaviour, change in policy (these are generally intermediate or medium-term outcomes)
- Social, financial, environmental, physical conditions (these are generally long-term outcomes)

Immediate outcomes occur directly following an activity (e.g. within 1 month); medium-term outcomes are those that fall between the short and long-term outcomes (e.g. between 1 month and 2 years); and long-term outcomes are those we expect to see years later (e.g. 2, 5, 10 or 50 years after the activity).

Alignment with our outcomes

Which of our outcomes will your project contribute to? If multiple apply pick the most relevant. No more than 1 choice may be selected.

3.5 Our metrics

A metric is a measurement designed to indicate whether or not progress towards an outcome is occurring, and quantify the extent to which it is occurring. Here we would like you tell us which of our quantitative metrics you may be able to report on.

Metric	Target	Collection method	Explanatory notes
Which of our metrics (if any) will you track? You may be required to report on your progress. Add more rows if you want to list additional metrics. No more than 1 choice may be selected.	Identify a target for the metric you have chosen - an estimated total for your project. Must be a number.	How will you collect and verify the data? E.g. survey, interviews/case studies, focus groups, administrative data (e.g. case management data), observation/estimation, government or public dataset (e.g. Census), other datasets.	Add notes if you need to provide more context.

3.6 Approximate number of attendees / participants *
