Before you continue:

You will need to fully understand the guidelines for the Shop Top Living Program to make sure your application has the best chance of getting funded.

The **Shop Top Living Program** is designed to provide financial support to building owners who have space above their business, which could be turned into residential accommodation.

In return of Council's financial assistance, applicants will be expected to:

- Progress towards submitting a Building Approval or Development Approval for their premises

- Provide Ipswich City Council with an outcome of their project. This information will assist us with future planning

Who can apply?

- A property owner physically located in the eligible pilot area
- Have unused or underutilised floor space above the shop or premises
- Have an appropriate business registration (ABN) including that of a sole trader

Please review the [Shop Top Living Program Guidelines](#) before commencing your application. You may also like to look at the resources [Grant Writing Tips](#) and [Sample Budget Fact Sheet](#) available on Council's [Funding and Support webpage](#).
